We're glad to have you, and we look forward to helping you get started with your new subscription!

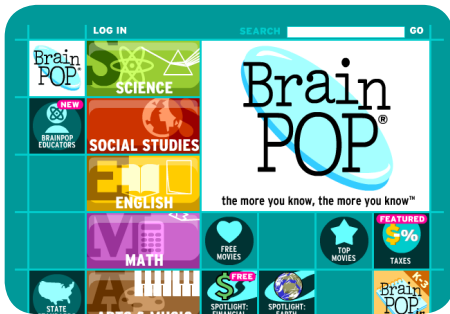

BrainPOP creates animated, curriculum-based content that supports educators and engages students. Our resources include Flash-based movies, quizzes, experiments, timelines, activity pages, and much more covering hundreds of topics within Math, Science, Social Studies, English, Technology, Arts & Music, and Health. All content is aligned to and searchable by state standards.

BrainPOP is delivered entirely online; there's no software to install or download. You can use our resources with PCs, Macs, projectors, or interactive whiteboards. Getting started is easy, but if you have any questions, check out our **HELP** ([www.brainpop.com/help](http://www.brainpop.com/help)) section! You can also feel free to **contact us** via email at [info@brainpop.com](mailto:info@brainpop.com), or toll free at 866.542.7246.
