

The Island: A single destination for college & career readiness for your digital natives.

Get everything below for only
\$7 Per Student

Study Island's **comprehensive** high school suite **reinforces** the learning process and ensures that every learner can be well-prepared for a **successful** and confident **transition** to their college or career choice. Give your high school students **24/7 access** to high quality lessons and questions with **instant feedback** and **built-in remediation**. Students can work through the web-based program at their **own pace** or teachers can guide students through the program. And with **dynamic content**, students don't memorize the answers, they **learn** the topics.

Common Core Standards for your state included with subscription!

All of these programs are included for only \$7 per student!
